

8th Pacific Rim Conference on Rheology

Vancouver, Canada
May 15-19, 2023

Important dates

Abstract submission deadlines: 31st January 2023 (oral), 15th February (poster)

Acceptance notification: 28th February 2023

Early bird registration: 15th March 2023

Honorary Conference Chair:

J. Giacomin (Queen's)

Secretary General:

I.A. Frigaard, (UBC)

Technical Committee Chair:

S.G. Hatzikiriakos, (UBC)

Conference Secretary:

M. Zare, (UBC)

VANCOUVER

Technical Program

G1. Polymer Solutions and Melts

Kyu Hyun (Pusan National University, Korea)
Ravi Jagadeeshan (Monash University, Australia)
Chen-Yang Liu (Chinese Academy of Sciences, China)

G2. Industrial Rheology in Polymer Processing

Abdellah Aji (Polytechnique Montreal, Canada)
Joung Sook Hong (Seoul National University, Korea)
Denis Rodrigue (Laval University, Canada)

G3. Blends, Composites and Nanocomposites

Yumi Matsumiya (Kyoto University, Japan)
Yihu Song (Zhejiang University, China)
Wei Yu (Shanghai Jiao Tong University, China)

G4. Suspensions and Colloids

Sarah Hormozi (Cornell University, USA)
Anthony Wachs (University of British Columbia)

G5. Emulsions, Foams and Bubbles

Reghan James Hill (McGill University, Canada)
Arun Ramchandran (University of Toronto, Canada)
Marjan Zare (University of British Columbia)

G6. Self-assembly and Flow-induced Systems/Gels

Michel Cloitre (ESPCI, France)
Takamasa Sakai (Tokyo University, Japan)
Kenji Urayama (Kyoto University, Japan)

G7. Biomaterials and Biological Systems

Nicky Eshtiaghi (RMIT University, Australia)
Dana Grecov (University of British Columbia, Canada)
Jason Stokes (University of Queensland, Australia)

G8. Solids, Glasses and Granular Systems

George Petekidis (University of Crete, Greece)
Dimitris Vlassopoulos (University of Crete, Greece)

G9. Active Matter

Gwynn Elfring (University of British Columbia, Canada)
Giovannantonio Natale (University of Calgary, Canada)

G10. Non-Newtonian Fluid Mechanics and Stability

Ruri Hidema (Kobe University, Japan)
Li Xi (McMaster University, Canada)
Miguel Moyers-Gonzalez (Univ. of Canterbury, New Zealand)

G11. Cellulose and Lignin Rheology

Mark Martinez (University of British Columbia, Canada)
Scott Rennecker (University of British Columbia, Canada)

G12. Rheology in the Oil and Gas Industry

Paulo Souza Mendes (PUC-Rio, Brazil)
Sean Sanders (University of Alberta, Canada)
Seyed Mohammad Taghavi (Laval University, Canada)

G13. Rheology in the Mining Industry

Leopoldo Gutierrez (University of Concepcion, Chile)
Marek Pawlik (University of British Columbia, Canada)
Anthony Stickland (University of Melbourne, Australia)

S1. Founding Members of CSR – Commemorative Symposium

Jeffrey Giacomini (Queen's University, Canada)
Marie-Claude Heuzey (Polytechnique Montreal, Canada)

S2. Hiroshi Watanabe – Honorary Symposium

Savvas G. Hatzikiriakos (University of British Columbia)
Youngdon Kwon (Sung Kyun Kwan University, Korea)
Yuichi Masubuchi (Nagoya University, Japan)

Conference location University of British Columbia campus

Vancouver YVR: Serviced by 56 major airlines with non-stop connections to over 125 destinations world-wide

25-30 minutes to UBC or downtown

Taxi, car rental and public transportation
